

May

Murrysville Presbyterian Preschool
3 Day Pre-K

Spring Fair

We will be having our Spring Fair on May 11th from 9-9:45am. Please stop in any time during that period to see how hard your child has been working this year! They have great things to show you! Your child will stay for their regular day.

Beach Day

On May 24th we will be having beach day! Your child will come to school in their bathing suit under their clothes/cover up and shoes they can get wet! If the weather is bad, we will still be doing beachy things indoors! Please bring a beach towel.

Please be sure to apply sunscreen before school!

Graduation and Family Picnic

We will be celebrating our graduation from the 3-day Pre-K class on May 25nd from 11-1. We will have a short ceremony at 11 (in the sanctuary) followed by a family picnic (in the pavilion). Please bring food for your family. If the weather doesn't cooperate, we will have the picnic in our classroom. Please bring your child to our classroom by 10:50 and make your way to the sanctuary. Siblings and grandparents welcome!

Bubble Day!

We decided to do a fun day of experiments and fun activities with bubbles in place of the traveling field trip with the Science Center. Please have your child wear their purple MPP shirt on May 18th. Since we don't have anywhere to wear it this year, I thought it would be fun for them to all have it on. One of our activities uses small, empty water bottles, if you have any please save them for us. You can hand them to me at the door any time. Thanks!
