MONTHLY CALENDARS

On our monthly calendars you will find weekly themes and a letter of the week. You will also notice the letter of the week does not follow alphabetical order. We discuss the letters according to the frequency they are used in language. We incorporate our stories and centers to our themes.

Reminders...

SCHOLASTIC BOOKS

Every month you will be given the opportunity to purchase books through Scholastic Book Club. You may order online or complete a paper form with payments that I will send to Scholastic.

Our classroom code for the website is **HC9BH**

The website is clubs.scholastic.com

Thank you for choosing MPPI I am excited to be your child's teacher this year!

Upcoming Events...

SHOW & TELL

The days for Show & Tell will be split between boys and girls. The dates will be posted on our class calendar. Please note: we will not have Show & Tell every month. Please guide your child into bringing an appropriate item to talk about. Occasionally, we may ask for your child to bring a specific item (favorite present, a sign on spring, etc.)
