

September

Three-Year-Old Class * 2 Day *

Mrs. Larson and Mrs. Baker

~~~~~  
*We are SO excited to spend this year with all of you! The three-year-olds will be learning so many things to tell their parents and loved ones all about. Great friendships will be made, too. Our days will be filled with learning and fun! We welcome and value open communication. We cannot wait to see how much these little ones grow this year! 😊*
