

February

2 Day Threes
Murrysville Presbyterian Preschool
Mrs. Larson

We will have lots of fun this month learning new things! We are continuing to practice our fine motor skills by working on scissor and pencil skills, as well as coloring in the lines. We will be writing our names soon, too. It is fun to see how quickly they improve in each area.

Please dress them warmly for outside play – if it is above 32, we may go out!

Things we will learn this month:

Letters: F, V, H and L

Color: Pink

Number: 6

Shape: Heart

Themes: Valentine's, Love and Dental Health

Pink Day is Feb. 13th!
Wear something pink

Valentine's Party

We will celebrate Valentine's Day on Friday, February 13th.
It is a **REGULAR DAY. 9-11:30**

HAT DAY!

Hat Day will be on February 21st. Any hat, silly or not, is great to wear on the 21st.

Show and Tell on the 20th is something that they love!

We are working on hanging up coats and backpacks on their own! Keep working on zipping their own coats - Many children are already doing this independently! 😊

Any questions or concerns, please let me know!
