Students will be in the classroom while we meet upstairs.

## Beach Day!

On May 22nd during school, we will have a beach day! Each child should wear their bathing suit under their clothes or cover up and bring a beach towel with them to school. We will be outside in the sun (hopefully!) for almost the whole morning – please apply sunscreen before they come to school.

What a wonderful year it has been! We all love your children tons! Thank you so much for sharing them with us – they bring us great joy.
